

MAYOR OF LONDON

Further Education and Sixth Form Colleges

Information on Admissions

Introduction

We know that this has been a troubling time for many students who want to progress into Further Education or Sixth Form Colleges. Many colleges have had to adapt their admissions process as a result of Covid-19 and we know that providing accurate information to your students on these changes can be a challenging task.

This document has been created to help Career Leaders in secondary schools, alternative provision and SEND institutions support students who are progressing (or considering progressing) into a Further Education or Sixth Form College in London.

Where possible, the information featured has been sourced directly from the admission teams at the colleges. If this has not been possible, relevant information has been taken from the institution's website. The information collected is aimed at students in Year 11. However, the information may also be appropriate for other age groups.

We have also included resources from the National Careers Service, Department for Education and Amazing Apprenticeships that can be used to support your students.

We hope having this information in one place proves helpful when advising your students around their next steps. If you have any questions, please contact enterpriseadvisers@london.gov.uk.

The London Enterprise Adviser Network

The London Enterprise Adviser Network is funded by the Careers & Enterprise Company and the Greater London Authority.

Note: If you are a member of staff at a college that is missing from this document, or you wish to amend or update the information we have provided for your college, please contact enterpriseadvisers@london.gov.uk.

The Department of Education – Resources for 16+ choices

When it comes to the question of what to do following GCSEs there are a lot of options to think about. The Department for Education has put together a couple of simple and handy guides to inform young people and their parents about all of the options open to them.

Here you will find:

- [A route comparison grid](#) (shown below) which demonstrates all of the routes available after GCSEs, along with additional information on each route such as the level of study, entry requirements, duration of the course, where it can lead etc.
- [A 2-minute animation](#) showcasing and explaining each choice in a simple, dynamic and visual manner

<h2>What's your next move?</h2> <p>Compare your options after GCSE</p>								
QUALIFICATION	DESCRIPTION	LENGTH OF TIME	ASSESSMENT	LEVEL OF STUDY	AWARDS UCAS POINTS?	ENTRY REQUIREMENTS	WORK EXPERIENCE	WHAT DOES IT LEAD TO?
APPRENTICESHIPS <small>www.apprenticeships.gov.uk</small>	A real job with training and a salary.	1 Year minimum	Apprenticeship dependent (inc. demonstrations, presentations and/or exams)	2/3 <small>even the possibility to progress to higher apprenticeships up to Level 7</small>	No	- Employer dependent - Age 16+ - Evidence of coursework and ability to complete	Yes (paid job, with at least 20% off the job training)	- Higher level or degree apprenticeship - University/College - Work
A LEVELS	An academic qualification, similar in style to GCSEs, that prepares you for further study.	2 Years	Mostly exams at the end of the course	3	Yes	For individual schools and colleges to decide (currently 5 GCSEs at grades 4 and above)	No	- Apprenticeship - University/College - Work
T LEVELS <small>www.tlevels.gov.uk</small>	A technical study programme, equivalent to 3 A levels, with an industry placement that makes up 20% of the course. T Levels are designed to give you the skills that employers need.	2 Years	Exams, projects and practical assignments	3	Yes	Set by each school/college	Yes (80% classroom, 20% work)	- Apprenticeship - University/College - Work
TECHNICAL/VOCATIONAL QUALIFICATIONS <small>www.gov.uk/government/organisations/qualifications-uk/about/technical-vocational-qualifications</small>	Qualifications which teach you how to do tasks specifically related to the industry and role you want to be in.	Course dependent	Course dependent (coursework & exams)	1+	Some (course & awarding organisation dependent)	Course dependent	Course dependent	- Apprenticeship - College - Work
APPLIED QUALIFICATIONS <small>www.gov.uk/government/organisations/qualifications-uk/about/applied-qualifications</small>	Qualifications that prepare you for further study by combining academic learning with practical skills to give you a broad overview of working in a sector.	Course dependent	Course dependent (coursework & exams)	3	Yes	Set by each school/college	Course dependent	- Apprenticeship - University/College - Work
TRAINEESHIPS <small>www.gov.uk/government/organisations/nationalcareers-service/about</small>	A work focused study programme that prepares you for an apprenticeship or work.	6 Weeks - 6 Months	A formal job or exit interview with written feedback. Coursework and exams are course dependent	N/A	No	Have little to no work experience and qualified below Level 3	Yes	- Apprenticeship - Work

Levels are designed to indicate the complexity of qualifications are apprenticeships, allowing people to cross comparisons and understand where they sit in relation to the other options which are available. There are 2 levels below entry level, with the higher levels offering the highest difficulty.

- Shooters Hill Sixth Form College - Greenwich

Information for students who have already applied:

The Government have now decided how GCSE students will obtain their final grades, however we are unable to confirm if this will change the entry requirements for our courses. What we can confirm is that if you have obtained a conditional offer with us, this offer will still be valid in September, even if you feel as though the grade you receive is not an accurate reflection of your ability and we will strive to place you on a course that is suitable both for your aspirations and your working level.

If you have already made an application but would like to change your course, you can get in touch with us to change it at admissions@shc.ac.uk.

In the weeks and months that follow, we will continue to keep our students and applicants up-to-date via email. If you would like to update your email address at any time, please get in touch with the admissions team at admissions@shc.ac.uk.

Information for students who are yet to apply:

If you're planning on joining us next academic year, you may be feeling particularly worried or anxious about your placement for when the next academic year starts. We'd like to reassure all students that our admissions process is continuing ahead as usual with just a few minor changes along the way.

Our application form is up and running as normal, and we will continue to accept applications for September 2020 throughout the academic year. If you would like to make an application, you can do so at www.shootershill.ac.uk/apply.

Whilst the College is closed, our interviews will be conducted remotely, by telephone. Once you have made an application, you will be given a date range in which one of our teachers will make contact with you to discuss your course. Having your interview this way will not affect your chance of securing a place with us for September, and the offer that you receive will be as valid as having a face-to-face interview.

Information for students who have already applied:

We want to reassure you that even if the grades you are awarded don't quite meet the offer you were given, or they are better than you expected, we will find the right place for you.

Enrolment usually starts from the day the GCSE results come out and this year that is on Thursday 20 August 2020. We can't enrol everyone on that one day so we will be in touch with all applicants to confirm the enrolment dates and times. Courses are still planned to start in September 2020.

Information for students who are yet to apply:

You can definitely still apply online to start a course in September. Our online application process is easy to use and it's always open! Visit www.uxbridgecollege.ac.uk/courses to select the course you want to apply for and complete the online application form.

If you are not sure what you want to study or you want more information, you can talk to one of our Careers Team about your options. Please email enquiries@uxbridgecollege.ac.uk and one of the team will get back to you.

All our full-time courses and some of our part-time courses require an interview. This is an opportunity for you to have a discussion with a member of staff who is able to guide and support your transition to college, so please don't be nervous.

At the moment we are following government guidelines and we aren't doing any interviewing in person. We have adapted our application process to ensure we can still provide you with an interview and/or an offer. Don't worry we will be in touch with you to arrange this. - **William Morris Sixth Form College – Hammersmith and Fulham**

Information for students who have already applied:

Welcome to William Morris Sixth Form - when you join our community you are gaining membership to one of London's most successful and friendly sixth form providers. Prospective Students will be invited to attend a compulsory course guidance event following their application – this event is an important part of the process as it is here where you will choose your provisional courses. The offer of a place in the Sixth Form depends on your attendance to this event. You will then be invited to enrol at WMSF during the week after GCSE results are released. The enrolment event is where you will finalise your course choices. Course inductions and teaching begins the week after enrolment – you are then successfully a student at William Morris Sixth Form.

Information for students who are yet to apply:

We welcome applications from all students aged between 16-18 to study at William Morris Sixth Form. Please check that you meet/ will meet the requirements for the courses that you wish to study. Applications made after the deadline (this is usually at the end of June) will be processed onto a waiting list. This does not guarantee you a place to study here but does mean that you will be contacted if a space becomes available.

You can download an application form from the website which can then be emailed (to admissions@wmsf.ac.uk), posted to 'William Morris Sixth Form, St Dunstan's Road, London, W6 8RB', or hand-delivered if you are able. You should also include a reference using the second link which will need to be returned as soon as possible (before or after we

receive your application). You can also apply via our online form. www.wmsf.ac.uk/online-application/5849.html
